

## Goodnight Horsemanship Clinics

Goodnight Horsemanship Clinics are two days (Saturday and Sunday) from 8:00 AM to 5:00 PM. Clinics are \$400 per rider for the entire weekend (plus facility stall fees, if needed).

Riders will register for one of two horsemanship sections: Horsemanship Essentials or Advanced Training. There will be a maximum of 12 riders per section to insure individualized attention and progress toward your training goals.

- **Horsemanship Essentials** will be for less-experienced horses and/or riders who want to work on ground manners, fundamental riding skills and building confidence. Riders should have basic control at the walk and trot.
- **Advanced Training** is for more experienced horses and riders, who want to improve horsemanship skills and advance the horse's performance. Riders are expected to work at all three gaits.

Both groups will work from the ground and from the saddle with an emphasis on communication, leadership and improving riding skills. To make the most of the learning experience, riders are encouraged to audit the other section to observe other horses and riders.

### **DAILY SCHEDULE (both days):**

8:00-12:00 Horsemanship Essentials

12-1:00 Lunch

1:00-5:00 Advanced Horsemanship

**Auditors (spectators) are always welcome** at Goodnight Horsemanship Clinics. Tickets are \$25 for adults and \$15 for youth. This is a great opportunity to observe clinic riders while Julie teaches. Auditors are encouraged to ask questions and take notes throughout. Plus, network with other horse lovers while you're here!
